Additional Notes

1. Acknowledgement of registration will be made by return of post to the named project coordinator(s).
2. CEM recommends the following browsers when running our assessments: Chrome, Edge, Safari, Chromium
The following browsers are also supported but may have slight display variations which do not affect the assessment: Firefox, IE11, Opera, 360
Every effort is made to allow software to run on other products/versions, but we cannot guarantee functionality will be present when using an alternative setup.
3. Feedback for all assessments and questionnaires will be made available to download from the Secondary+ secure website.

Support and Resources

Helpdesk

Email: secondary.support@cem.dur.ac.uk

Telephone: +44 (0) 191 334 4255

Full supporting documentation for the Pre-16 systems can be accessed via the Secondary+ secure website once you have registered.

Training

Support your understanding of CEM reports and translate them into powerful formative information for use in the classroom. Training is available to help you fully understand your pupils' progress and potential, respond to their individual educational needs and support school improvement.

Our approved training provider, Evidence Based Education have trained over 2,500 teachers across the world over the last five years, and can offer you training days and webinars, bespoke to your needs.

For more information, future training dates and online booking, visit the [Evidence Based Education](https://evidencebased.education/training-cem-durham) website <https://evidencebased.education/training-cem-durham>

Events

The CEM team attend a number of events and exhibitions each year to showcase our school assessments. We have experts on hand at each of these events who can help you with any queries about our assessments and reporting.

For further information on our training and events visit www.cem.org/events
